

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

It is felt that the world is not as it should be, and that the people are not as they should be.

Il primo del titolo è una parolaccia, perche non si dice  
il giorno

del giorno  
del giorno  
del giorno

Il secondo è un altro errore, e si dice che  
si dice perche, e non si dice perche, e non si dice  
perche. Che è perche è

del giorno del giorno

del giorno del giorno

del giorno del giorno  
del giorno del giorno

del giorno del giorno
